

- Reason2Smile Inc, is a 501 (c) 3 registered non-profit corporation whose mission is to financially assist impoverished orphans and at-risk children living in developing countries and strives to create healthy sustainable environments.
- The first school to be financially supported by R2S is the Jambo Jipya School in Mtawpa, Kenya.
- Jambo Jipya was founded in 2004 by Kenyan Christine Mwendu and is staffed with Kenyan teachers certified by the Kenyan Education System.
- Jambo Jipya (meaning "Something New" in Swahili) began with a few mud huts and a handful of students. Today 235 children attend the Jambo Jipya School. 23 of them are orphans and live at the Children's home.
- Students receive two meals a day, an education, a uniform, shoes, school supplies and basic health care for \$20 dollars a month. \$240 sponsors an elementary child for an entire year. The cost for the orphaned children and secondary children are a little bit more.
- Future projects include rebuilding the school with two-stories including running water, bathrooms, electricity and a library.
- \$20 will cover the cost of one elementary student's needs for one month. \$240 a year
- \$25 will cover the cost of one elementary orphan student's needs for one month. \$300 a year
- \$25 will cover the cost of one secondary student's needs for one month. \$300 a year
- \$35 will cover a secondary orphan student's needs for one month. \$420 a year.
- \$50 will buy school uniforms for 15 students
- \$85 will pay a staff member's salary for one month (cook, cleaner, guard, etc)
- \$150 - \$200 will pay a teacher's salary for one month
- about \$2,000 will feed the entire Jambo Jipya School for one month.
